Report of Accounting Inspectors

We have examined the Financial Statements of Sociedad Química y Minera de Chile S.A. corresponding to the business year ended December 31, 2024.

Our exam and revision as Accounting Inspectors spanned the comparison of the outstanding balances of the General Ledger with the Balance Sheet and the corresponding Income Statements as of December 31, 2024. We found these accounts to be in accordance with their balances.

We confirm that in as part of work as account inspectors, we have had access to the Company's accounting information, inventory, balance sheet and financial statements.

At the same time, we confirm to be of legal age, with the ability to make an independent decision, and have not have been convicted of crimes that merit punishment.
