

SQM ANNOUNCES ISSUANCE OF LOCAL HYBRID BOND

Santiago, Chile – December 4, 2025 - Sociedad Química y Minera de Chile S.A. (SQM) (NYSE: SQM; Santiago Stock Exchange: SQM-B, SQM-A) announced today that it has completed the placement of Series S Bonds in the Chilean general securities market for a total amount of UF 10,000,000 (approximately US\$430 million). The placement was authorized on November 25, 2025, and is part of a 35-year bond program registered in the Securities Registry of the Commission for the Financial Market (CMF) under No. 1239.

The Series S Bonds (i) mature on February 15, 2058; (ii) will accrue, on the outstanding principal expressed in UF (unidades de fomento), a fixed annual interest rate of 4%, starting November 15, 2025; and (iii) the effective placement rate was 3.84%, which includes a local placement spread over the Central Bank of Chile's UF-denominated bond of equivalent term of 1.52%.

Proceeds from the placement will be used for general corporate purposes and to refinance existing debt.
