Santiago, Chile, November 11, 2020 – Sociedad Química y Minera de Chile S.A. (SQM) (NYSE: SQM; Santiago Stock Exchange: SQM-A, SQM-B, the “Company”), announced today that in accordance with article 9 and the third and fourth paragraphs of article 10 of the Securities Market Law, General Rule No. 30 and Circular No. 687, and having due authorization, it hereby informs you of the following essential fact related to Sociedad Química y Minera de Chile S.A., listed in the Securities Registry under number 184 (the “Company”):

On November 11, 2020, the Company signed a binding term summary (the “Term Summary”) providing for a settlement of the class action litigation with Lead Plaintiff Council of the Borough of South Tyneside, acting in its capacity as the Administering Authority of the Tyne and Wear Pension Fund, captioned *Villella v. Chemical and Mining Company of Chile, Inc.*, 1:15-cv-02106-ER (S.D.N.Y.) (the “Class Action”). The Class Action settlement will resolve the claims by class plaintiffs relating to alleged noncompliance with the securities laws and regulations in the United States in connection with certain disclosures made by the Company. Pursuant to the Term Summary, the Company has agreed to pay 62,500,000 United States dollars. The parties will negotiate in good faith to execute a definitive stipulation of settlement and related documents to be filed for Court approval.

The amount to be paid under the settlement will be reflected as an expense in the financial statements of the Company as of the third quarter of 2020, in the account “Other Expenses by Function”.

About SQM

SQM is a global company that is listed on the New York Stock Exchange and the Santiago Stock Exchange (NYSE: SQM; Santiago Stock Exchange: SQM-B, SQM-A). SQM develops and produces diverse products for several industries essential for human progress, such as health, nutrition, renewable energy and technology through innovation and technological development. We aim to maintain our leading world position in the lithium, potassium nitrate, iodine and thermo-solar salts markets by:

- Ensuring access to the best assets related to our current business lines by expanding our global presence;
- Actively searching for attractive minerals allowing us diversification opportunities to replicate and expand our existing mining capacities;
- Strengthening our operational, logistical and commercial excellence process from beginning to end, while looking to be a cost leader; and
- Maintaining a conservative financial policy which allows us to successfully endure economic cycles that could impact the markets in which we sell.

We are a company built and managed by a culture based on excellence, safety, sustainability and integrity. We work every day to expand this culture through the attraction, retention and development of talent as well encouraging an inclusive and diverse work environment ensuring the unique knowledge and innovation needed to sustain our business. We strive for safe and accident-free operations by promoting conduct that favors the physical safety and psychological well-being of everyone who works directly and indirectly with the Company.

We position ourselves as leaders in sustainability and work to create a “green” image through the constant efforts to responsibly manage natural resources, care for the environment, form close and trusting relationships with our neighboring communities and through the creation of value. Within these communities, we support projects and activities with a focus on education, business development, and protection of the environment and historical heritage. We create value for our clients through established commercial models and the production and development of differentiated products that respond to their industry and market specific needs, constantly creating and providing a sustainable improvement in the quality of life. We will continue to create value for all of our stakeholders through responsible management of natural resources, sustainable expansion projects and improvement of our existing operations, with a focus on minimizing our environmental impacts by reducing our carbon, energy and water footprints and working together with our shareholders, employees, customers, suppliers and communities.

Cautionary Note Regarding Forward-Looking Statements

This news release contains “forward-looking statements” within the meaning of the safe harbor provisions of the U.S. Private Securities Litigation Reform Act of 1995. Forward-looking statements can be identified by words such as: “anticipate,” “plan,” “believe,” “estimate,” “expect,” “strategy,” “should,” “will” and similar references to future periods. Examples of forward-looking statements include, among others, statements we make concerning the Company’s Sustainable Development Plan 2030, business outlook, future economic performance, anticipated profitability, revenues, expenses, or other financial items, anticipated cost synergies and product or service line growth.

Forward-looking statements are neither historical facts nor assurances of future performance. Instead, they are estimates that reflect the best judgment of SQM management based on currently available information. Because forward-looking statements relate to the future, they involve a number of risks, uncertainties and other factors that are outside of our control and could cause actual results to differ materially from those stated in such statements, including our ability to successfully implement the Sustainable Development Plan. Therefore, you should not rely on any of these forward-looking statements. Readers are referred to the documents filed by SQM with the United States Securities and Exchange Commission, specifically the most recent annual report on Form 20-F, which identifies other important risk factors that could cause actual results to differ from those contained in the forward-looking statements. All forward-looking statements are based on information available to SQM on the date hereof and SQM assumes no obligation to update such statements, whether as a result of new information, future developments or otherwise, except as required by law.
