Dear Mr. Ponce:

We have received your letter dated today, requesting that SQM inform the Santiago Stock Exchange ("*Bolsa de Comercio de Santiago*") about any special circumstances or relevant events that may explain the 10.31% decrease in SQM's series B share price today, with respect to the closing price as of Thursday, April 20, 2023.

With respect to this matter, we can inform you that except for the announcement made yesterday by the Chilean authorities about the National Lithium Strategy, we are not aware of any other fact or event that could explain the variation in the share price.

Sincerely,

Gerardo Illanes
